

## God is with David

See Story Page MG 37.

## Funsheets and Chatter Time

Give to each child a copy of the Fun Sheet headed “When we are happy and when we are sad” (see page MG 38). Using coloured markers or pencils, get them to carefully colour those shapes with the dots in to find the hidden words and pictures.

While the children are colouring the leaders could chat to them about the story and teaching.

Encourage the children to take the completed sheet home and put it up on their bedroom wall.

*If time is a problem, give the children the funsheets to complete at home.*

## Closing Prayer *(Leader to say each line and let the children repeat.)*

Dear Father God,

thank you for the stories of David.

Help us to remember

that you are always with us.

Amen.

## Pairs Quiz Cards

To play the game you will need two sets of the following cards for each group of children, making 20 cards per set (10 pairs). Photocopy onto card or photocopy them onto paper and paste them onto card.
