

# God wants everyone to have clean water!

Ask a grown up to help you read the words.

The water may not be clean.

Dirty water makes people very ill. Sometimes people die because they drink dirty water.

Many people in poor countries have no taps in their houses. They often have to fetch water from a long way. It is hard work because water is very heavy to carry.

Colour the pictures.

Why do you think the boy and girl in the pictures look so sad?
