What's It All About

# Denham 2019

- ❖ Denham was where the KRRC (CLB) Trained
- ❖ St. Mary's Church Denham was the church they attended while in training
- ❖ On their return in 1919 they returned to Denham
- ❖ Many of the veterans returned to Denham every year until the 1980's
- ❖ They paraded to St Mary's to attend the Sunday service
- ❖ 2019 marks the year many veterans including the KRRC (CLB) returned home
- ❖ Therefore to parade in Denham would be great tribute to these men who returned and to those they left behind

# Bard

There's a battalion out in France  
Its name was spread afar  
And if you want to know its name

It's the 16<sup>th</sup> Kings Royal Rifles Corp  
They trained for months at Denham  
Which made every man quite fit  
Then on 16<sup>th</sup> November  
They embarked to do their bit  
The ride was fairly long  
And I'm sure it was no treat  
For the only food that we could get  
Was biscuits and bully beef

Now the first time in the trenches  
It was not so very bad  
But on the second of January  
A lively time we had  
The shells flew all around us  
Yes, there were many a score!  
And the only shelter we could find  
Was to lay flat on the floor

Of Course you know, we lost a few,  
Which I am sorry to say,  
But we will have our own back  
On the Allemands one day.  
Since then we've seen the trenches,  
Yes many and many a time,  
And some our dear comrades  
Got buried by a mine

And then we went into High Wood  
Of that I cannot speak.  
We lost the flower of our flock.  
It left us sad and weak  
But still we have to carry on,  
Of work we do our share  
And unless we have an R.E. fatigue  
You seldom hear us swear.

Now that the war is finished  
And we return once more,  
If they take us back to Denham  
There will be treat in store,  
But we shall not forget the lads  
That we have left behind,  
And we all hope they will rest in peace  
Where the sun will always shine

Now here's good luck to all of us  
No matter where we are,  
For we know the name will never fade  
Of the 16<sup>th</sup> King Royal Rifle Corp.
