

Accreditation of Prior Experience & Learning Expedition and Camp-craft Skills

Name: Company:.....

Detailed description of any Qualification/Certificate, Skill or Experience to be credited :

What is your current role, what training have you had and what certificates or qualifications do you hold – list all relevant courses in Brigade, other youth organisation, or relevant 3rd party.

What personal; experience do you have relevant to supervising or assessing groups, planning and running static camps under canvass that we should consider. What leadership experience do you possess, giving examples.

Have you helped to plan, or led in the planning of camps or expeditions. Do you Plan and deliver, instruct and direct other leaders and helpers, manage D of E or train members etc..

Do you have detailed knowledge of specific geographical areas that would assist you in supervising or assessing expeditions or locating and planning static camps.

Do you do anything else that would help provide evidence of other relevant skills you may possess?

How and where the learning/skill has been applied in the last five years

List specific instances where the above skills have been used and can be demonstrated or confirmed by other leaders or your CO. This may be where photographs of events or Portfolio entries could support this Application. You should try to have at least one example that supports you for each of the skills areas being assessed below.

The assessing Officer will want to discuss how you have achieved each category and will assess the evidence to decide whether you are at Basic Intermediate or Advanced level in each category.

Skills and experience to consider:

Credits to be awarded

| Expedition Supervision and Leadership | B | I | A |
| Regions of Knowledge | B | I | A |

Signed: Brigade Officer

Date of interview:

Countersigned: National Training Officer/
Brigade Secretary

Date endorsed:

Further action:

Upon completion by the assessing officer, this assessment will form part of the Supervisor / Assessor application process as detailed in the Camp's, holidays and Sleepover policy.

Once countersigned by NHQ a Certificate of Competence will be awarded. Further action would be required to improve on credits and allow any subsequent assessment to warrant progress to a higher level. Subsequent awards should be made by completion of further training and experience.
