Your Taking Groups Away qualification is valid for 5 years. It can be extended and retained if you maintain your practical skills and continually evolve your knowledge by ongoing involvement in Camps, Holidays and expeditions. You should report your involvement together with the responsibility you held at any such events in order that you can continue to hold the TGA qualification as originally granted.

You can, at any time, undertake additional modules on the Theory Day course and through your developing experience move up to a higher level of TGA qualification. Continue overleaf if necessary.

Submit your report to NHQ as soon as possible after the event.
